New Business

ECO#5.1.18 Public accuracy test of voting equipment

Motion by Sternberg; supported by Boelke to open the public testing of the voting equipment. Motion carried.

The commission verified and signed the public accuracy test certification indicating:

- The examined the test deck chart created, which is in compliance with the Bureau of Elections
- They compared the predetermined totals from the test deck chart (taken from the BOE manual) with the tabulator totals of both precinct 1 and precinct 2 tabulators and verified all totals agreed.
- It was determined an errorless test was successfully completed

- This public accuracy test was performed using the Dominion ICP Tabulators owned by the City of Algonac.
